Hotel Savoy Roma

Type : Hotel
Rating : 4 Star
Location : Rome

Description

Few hotels in Rome can boast the magnificent location of the Hotel Savoy. Housed in an aristocratic palazzo dating back to the late 1800's, its guests are welcomed into a classic and elegant environment which beautifully blends comfort with the class of a 4-star superior hotel. The hotel is ideal for those wishing to stay in the centre of Rome surrounded by the atmosphere of the dolce vita of Via Veneto. A historic hotel, it was named after Queen Margaret of Savoy who, in the early 1900s, chose it for her Roman sojourns. Documents and vintage photographs also demonstrate that the Savoy was the hotel of the historic "March on Rome". Today, the 4-star Savoy is the preferred destination for those seeking exclusivity, tranquility and, above all, a central location.
