Pam Thermal Hotel

Type :	Hotel
Rating :	4 Star Superior
Location :	Pamukkale

Description

Situated on a hillside amidst pine forests and gardens is the Pam Thermal Hotel located in Karahayit district. This region is famous for its red thermal spring water, which has its source at the hotel, fascinating everyone by its formation of beautiful red limestone and thermal pools. The natural thermal mud has been used for medicinal and beauty purposes for centuries. The Pam Thermal Hotel is a relaxing escape, offering an outdoor pool, thermal spring pools with healing red water, and a spa centre featuring a sauna, steam bath, and massage. Guests can experience aromatherapy and hydrotherapy in the thermal baths and enjoy the fresh air and nature surrounding the hotel for a rejuvenating stay.
