Amalia Hotel Delphi

Type : Hotel
Rating : 4 Star
Location : Delphi

Description

The Amalia Hotel Delphi has an exquisite location at the foot of mount Parnassus offering panoramic views of the Green Valley, all the way to the sea, Itea and the beautiful town of Galaxidi. The ancient Greeks believed that Delphi was the centre of the earth. Something abiding to this day, considering that UNESCO has proclaimed the Sacred Precinct part of the World Cultural Heritage. The massive crags of

Faedriades rise above the verdant valley, where the largest olive grove in Greece is to be found. Guests can relax at the lobby lounge beside the cozy

fireplace and admire the breathtaking view of the Delphian scenery. One level down, the restaurant overlooks the valley and the pool, surrounded by the green gardens. A rich

American buffet breakfast is served here. Guests can visit the Temple of Apollo and the surrounding memorials, the Stadium, the Theatre, the Marmaria, the Castalian Spring, the Old Temple of Athena, and the renovated Museum, all located just minutes away.
